**GENERAL ORDER
CONCERNING BOTH
REQUESTS TO ALTER NOTICING REQUIREMENTS
AND
REQUESTS FOR *EX PARTE* RELIEF**

No order shortening time for service, or limiting notice of any requests for relief, shall be entered except upon a clear and specific showing, by affidavit, of clear reasons why proceeding other than by notice as prescribed by the Federal Rules of Bankruptcy Procedure and Local Rule 9007 of this court is necessary. The affidavit also shall state whether a previous request altering notice requirements has been made by the moving party in connection with the case.

In addition, Local Rule 9013(i)(5) of this court is amended to read as follows:

(i)(5) In each case of a request for relief presented *ex parte*, no order shall be entered unless it is based upon an affidavit. The affidavit shall show cause for the *ex parte* action as well as good cause for the relief requested and shall state whether the moving party has made a previous *ex parte* request for relief in the case. In addition, the person seeking the relief must certify that the opposing party either consents, objects or despite diligent efforts made in good faith, specifying such efforts, neither counsel for the party against whom the relief is requested, or the party, in the event such party is not represented by counsel of record, could be contacted and advised that the relief would be sought.

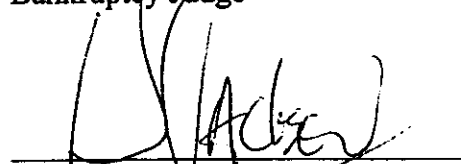

This General Order shall be effective October 1, 2002.
